Testimonials

Wireless payments customers in **25 states** from coast-to-coast rave about our solution:

"The eFunds wireless product we use at all our Austin [Texas] Farmers' Market locations allows Sustainable Food Center to accomplish two goals—access to fresh, healthy local food for lower income consumers, and access to new market segments for family farmers."
—Andrew Smiley, Farm Direct Projects Director

"[Using the wireless POS at Fondy Market in Milwaukee] is cutting edge and a win/win situation for food stamp recipients and farmers."
—Linda Reithel, Wisconsin Department of Health and Family Services

WIRELESS PAYMENTS SOLUTION TESTIMONIALS

"It feels very, very nice to know that EBT (food stamps) customers are now able to buy from us. We have seen an increase in sales and have received very positive comments from our customers."

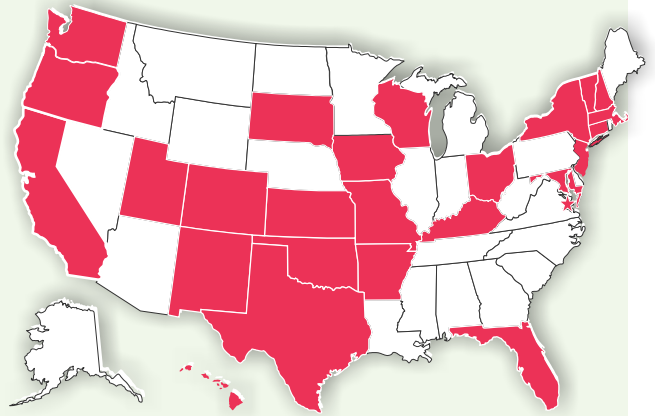

—Nancy Rasmussen, Sunny Lane Farm, Lockwood, Missouri

"Providing wireless services for our farmers markets to accept food stamp benefits has made a big impact on our farmers. The POS terminals, the level of care and service from FIS has made the statewide program a success for our farmers, our customers and those of us administering the program."

—Diane Eggert, Executive Director, Farmers Market Federation of NY

"I really like doing business with eFunds. In fact it has made me a local hero to provide this kind of support service at my market."

—Gloria Stultz, Manager, Carson City (Colorado) Farmer's Market
