DOUBLE YOUR DOLLARS

Market Match Program

SNAP and Senior Farmers' Market Nutrition Program (FMNP) participants can receive a "match" on purchased goods in the form of market coupons. These coupons are to be used like cash to purchase fruits, vegetables, eggs, meats, honey, breads, jams/jellies and plants and seeds at the farmers' market where they were received.

The Northwest Arkansas Farmers' Market Alliance Double Your Dollars Match Program for SNAP and Sr-FMNP participants is made possible through a grant from the Walmart Foundation. We graciously thank and acknowledge the Walmart Foundation for their generosity in making this possible!
